

EC Conversion Call-In Forums

CAPE is organizing special call-in forums, to give members an opportunity to ask CAPE Executive Director, Claude Danik, and Claude Vézina, CAPE's EC Classification Officer, questions regarding the EC conversion process.

The schedule of forums is below. They are being organized through the local leadership of the Association. The local leadership has been asked to make arrangements for rooms where members can get together and call into the national office on a special line. If you wish to participate, please contact your [local or steward](#). If you have no local or steward and wish to participate, please communicate with Liana Griffin at lgriffin@acep-cape.ca, 1-800-265-9181 or 613-236-9181. She will provide you with phone instructions to join the forums. The number of participating phone lines is limited, so please register early. You will be asked to provide your questions in advance so that you can be placed on a speaker's list.
