For TREASURY BOARD – If a person answers the phone:

Hello, may I please speak to _____?

Hi, my name is _____ and I am a member of CAPE. I am calling today to express my anger and disappointment with the decision to require three days in-office presence for public sector workers. You made this decision without consulting workers, even though we are the ones who keep government running. This short-sighted decision shows massive disrespect for public sector workers and worsens our already strained relationship with the employer.

I am calling today to ask you to meet with Nathan Prier, President of CAPE, to discuss how you can turn this around, show your support for your workers and demonstrate your respect for the work of the public sector.

Will you commit to meeting with Nathan Prier to discuss this?

[wait for response]

Thank you for your time.
